Event pricing and how booking works

Event pricing starts from \$2,500/day for full use of the house and grounds. The cleaning fee and refundable deposit below apply to every event.

Event cleaning fee	Professional cleaning after your event	\$300
Refundable deposit	Held against damage or extra cleaning; refunded in full when the home is left as found	\$1,000

Pool rules and house rules

These rules keep your guests safe, protect the home, and keep us in good standing with our neighbors. Please share the pool rules with anyone who will swim.

Pool rules (please post by the pool)

- **A certified lifeguard is required for all pool parties, and must be arranged and provided by you (the guest), not by Solitude Manor.** The host does not supply a lifeguard. No lifeguard, no pool party - please book yours early and share their name and certification details with us before the event.
- Children must be supervised by an adult in the pool area at all times.
- No glass in or around the pool - use plastic or cans for drinks near the water.
- No diving. No running on the pool deck.
- Swim at your own risk outside of your guest-arranged lifeguard scheduled hours.
- Please rinse off before swimming, and keep food and drinks out of the water.
- Pool use ends at quiet hours (8:00 PM) unless otherwise agreed in writing.

House rules for events

- **Quiet hours begin at 8:00 PM.** Move music and loud activities indoors and keep outdoor noise down after 8:00 PM.
- **Non-smoking property** - no smoking of any kind indoors or on the grounds.
- **No pets**, except service animals.
- **Maximum 50 event guests; maximum 10 overnight guests.**
- Park only in designated parking areas; do not block neighbors driveways or the street.
- Keep exits, driveways, and pool gates clear at all times. Pool gates stay closed and latched when the pool is not in active use.
- No confetti, glitter, or open flames outdoors; candles indoors must be in holders and never left unattended.
- Vendors may arrive during your agreed setup window. All vendors and rentals must be out by the end of your event day unless otherwise agreed.

Cleanup basics: Bag all trash and place it in the outdoor bins, wipe down kitchen counters, and return furniture to where you found it. We handle the deep clean - that is what the cleaning fee covers.

Event terms (summary)

- The signed event contract controls; this guide is a planning summary of its key terms.
- The \$1,000 deposit is fully refundable, less only the actual cost of damage repair or extra cleaning if needed.
- Event host (guest) is responsible for your guests and vendors compliance with pool and house rules, including quiet hours.
- Events over 50 guests, or overnight counts over 10, require prior written approval.
- Weather: the home offers generous indoor space for up to 50, so most events can move inside if Georgia weather turns.
